KITIKMEOT CORPORATION NEWS

LARGA LTD NEW FACILITY

If you travel out for medical reasons to Edmonton and have stayed at Larga Ltd downtown location you will be surprised to see that Larga Ltd in Edmonton has moved to Leduc county. Just a short 4 km drive from Edmonton International Airport and you will find yourself checking in to the new facility has over 100 rooms, each with a mini fridge, microwave, television, and washroom which will ensure guests are very comfortable. Larga guests will no longer have to share bedrooms or washrooms, will have elevator access to all floors and will be able to eat comfortably in our large dining room. As a bonus guests will also have access to a fitness room, swimming pool and hot tub.

KITIKMEOT CHALLENGER LP.

Founded April 3, 2023, Kitikmeot Challenger LP. is a partnership between Kitikmeot Corporation and Challenger Geomatics Ltd. Together we hope to bring prosperity and training for Inuit through employment opportunities, Indigenous Scholarships, geomatics services, and local financial benefits. Dino Forlin, Kitikmeot Corporation's Chief Operating Officer states:

"Kitikmeot Corporation views this new partnership as a great model for Kitikmeot Inuit business ownership and as a vehicle for providing Inuit career development opportunities throughout Nunavut. The leadership teams of both Challenger Geomatics and Kitikmeot Corporation share common values and aspirations and we are immensely pleased to be working together to grow this business across the Arctic."

Through our joint venture, we look forward to providing survey, mapping and geomatics services to existing and new clients in Nunavut. Employment opportunities that arise from this new venture will be posted on KC's website along with our LinkedIn page.
